Dear Mr. Bennett,

Kindly permit us to convey to you in the name of the Community, our most sincere appreciation for so graciously helping us with a very kind donation of a pallet truck for our Sisters. Your helping hand is a tremendous encouragement for us.

Sometimes words seem very inadequate to express our gratitude toward those who are supporting us. Therefore, we ask Our Divine Saviour to repay your generosity, reminding Him of His promise in the Gospel, "He who helps the Apostle, receives the Apostle's reward." We assure you and of a special remembrance in the continuing daily prayers of our Religious for the spiritual and material welfare of our benefactors. May God grant you future prosperity and an abundance of blessings upon you, ALL-LIFT, and your loved ones.

Sincerely and most gratefully in Christ,

The Apostles of Infinite Love
